

HOW TO PREPARE YOUR PROPERTY

OUTSIDE OF HOME

- Remove all vehicles from driveways and try not to park directly in front of the house.
- Get the lawn mowed and edged, the weeds pulled, and leaves picked up and the trees trimmed.
- If you have a pool or spa, make sure the pool and pool area is sparkling clean.
- Turn on the pumps for waterfalls/spillways.
- Roll-up or hide garden hoses and hide all garden tools.
- Put trash into outside trash bins. Conceal all trash containers.
